## PhysioEx Lab Report

**Exercise B: Chemical and Physical Processes of Digestion**  
**Activity 1: Assessing Starch Digestion by Salivary Amylase**

Name: Miranda  
 Date: 11 November 2019  
 Session ID: session-6b0baaf36-9f80-cec4-7216-c56a01c998a4

### Pre-lab Quiz Results

You scored 100% by answering 6 out of 6 questions correctly.

- 1 The substrate for amylase is  
 You correctly answered: starch and carbohydrate.
- 2 Which of the following is true of enzymes?  
 You correctly answered: Their activity can be affected by temperature and pH.
- 3 The reagent I<sub>KI</sub>I<sub>2</sub> tests for the presence of  
 You correctly answered: starch.
- 4 Which of the following is not true of controls?  
 You correctly answered: A negative result with a positive control is required to validate the test.
- 5 Which of the following is an end product of starch digestion?  
 You correctly answered: maltose and glucose.
- 6 Hydrolases are enzymes that break down large molecules into smaller subunits through the addition of water.  
 You correctly answered: water.

### Experiment Results

#### Predict Question

1 Predict Question: What effect do you think boiling and freezing will have on the activity of the amylase enzyme?

Your answer: Boiling will decrease amylase activity and freezing will have no effect.

#### Stop & Think Question

How does the addition of water affect enzymes (check all that apply)?

Enzymes require water to function.

Enzymes are proteins.

Enzymes are catalysts.

Enzymes are not affected by water.

**2. Evaluating Efficiency**

**Review Activity**

Quiz Results  
You scored 100% by answering 4 out of 4 questions correctly.

What is a process that:

- is only assessed in practice
- is a stepwise approach
- is only assessed in assessment programs

What is a process that:

- is only assessed in practice
- is a stepwise approach
- is only assessed in assessment programs

Answer:  
Only one of these answers are correct.  
The correct answer is that Process takes place in the budget as it is only assessed in practice.

**Final Results**

Question:  
What will happen if you increase the price of the blue book on the menu?

Answer: The blue book will become more expensive.

Question: What will happen if you increase the price of the orange juice on the menu?

Answer: The orange juice will become more expensive.
